## Table of content

CHAPTER 1 .....	6
I – General Characteristics.....	6
1. Introduction, Maps, Basic Information, Population, Urban Centers, and Indicators ( <i>include summary charts</i> ).....	6
• Population.....	7
• Total population and population by provinces, in absolute numbers (data for 2016 Statistical Center of Iran); including urban and rural (%); average population density; and geographic concentration (%)......	7
• Recent population growth and forecasts over the next five years.....	9
• Composition by main age groups and by sex.....	10
• Active population: total and distribution by principal economic sectors (%)......	11
• Major Urban Centers.....	14
• Cities: list major cities, specifying the Capital and number of inhabitants (indicate date, whether an official figure or estimate). .....	14
• Principal socioeconomic indicators.....	14
• Average per capita income (current figure in US dollars, indicate year). National Income, GDP, or GNP per capita. Average per capita consumption (US dollars, current figure, indicate year). .....	14
• Income distribution: regional (if applicable, indicate disparities), principal income levels by population segment. ....	16
• Key wage levels: minimum, median, and/or high (US dollars/month).....	18
• Literacy rates (national, current figures): note any regional disparities (topic). .....	20
• Student population (primary, secondary, and university) at national level (current figure); absolute numbers and share (%) of population. Comments.....	21
2. Political and administrative organization (brief description).....	22
• Political organization.....	22
• Constitutional and political structure: Constitution; type of State; Government organization (Executive, Legislative, and Judicial Branches); political parties (one-party or multi-party system). .....	22
• Principal central government bodies, list ministries and key economic bodies, indicate foreign trade agencies, especially those with primary responsibility for imports. Note: original denomination (boldface) of various bodies (with Portuguese translation, if necessary). .....	27
• Administrative organization.....	28
• Regional administration: state / provincial / municipal. ....	28

• Inflation: summary chart of annual variation in consumer and wholesale prices (domestic source, IMF, or OECD; past 5 years). .....	36
2. Principal economic sectors (brief description and statistical summary chart).....	37

- Agriculture and forestry: Primary farming regions/centers; location and relative importance in the country. Principal resources. Statistical chart(s) on production of select goods, preferably expressed in physical quantities (select series or years). Expanding segments..... 38
- Mining: see above. .... 38
- Manufacturing: see above. .... 38
- Energy: see above..... 38
- Services: see above..... 38
- Other: see above. .... 38
- 3. Currency and finances (brief description and summary statistical chart and/or graphs).....40
  - Currency ..... 40
  - Standard currency..... 40
  - Convertibility. .... 40
  - Change in real and nominal exchange rate (in relation to dollar and real) in the past 5 years (IMF. “International Financial Statistics” – par rate / market rate)..... 40
  - Exchange rate regime (fixed, floating, managed) ..... 40
  - Existence of differentiated rates: commercial, financial, tourism, etc. or black market, as applicable. .... 40
  - Balance of payments and international reserves ..... 40
  - Recent trends in balance of payments (past 5 years). OBS: See Explanatory Notes. .... 40
  - International reserves: gold, SDRs, IMF reserve position, convertible dividends (summary chart in US dollars: position at a recent date – indicate date – Source: IMF / IFS). OBS: See Explanatory Notes. .... 40
  - Public finances ..... 42
  - Budget: current total revenue and expenditure levels (US dollars). Distribution of expenditures by principal sectors or categories (%). .... 42
  - Monetary and fiscal policy; ..... 42
  - Foreign exchange and payments (relations with International Monetary Fund (IMF), application of foreign exchange controls, if any); ..... 42
  - Banking system ..... 43
  - Structure, operation, and key official institutions of the banking system. Commercial, Brazilian, national, and foreign banks. .... 43
- CHAPTER 2 .....48
- I – ECONOMY, CURRENCY, AND FINANCES ..... 48
  - 1. Economic setting (brief description and summary statistical charts) ..... 48
    - General characteristics of the economy. .... 48
    - Current development stage..... 48
    - GDP or GNP (according to most recent data available): level and current prices in US dollars; recent growth (including changes over past 5 years). Composition of GDP or GNP by key sectors: select years. .... 51
    - Employment: level (unemployment rate); recent growth (past 5 years). .... 52
    - Inflation: summary chart of annual variation in consumer and wholesale prices (domestic source, IMF, or OECD; past 5 years). .... 53
  - 2. Principal economic sectors (brief description and statistical summary chart).....54

- Agriculture and forestry: Primary farming regions/centers; location and relative importance in the country. Principal resources. Statistical chart(s) on production of select goods, preferably expressed in physical quantities (select series or years). Expanding segments..... 54
- Industry and Mining: ..... 54
- Manufacturing: ..... 54
- Energy sector and Petroleum: ..... 54
- Services: ..... 54
- Agriculture: ..... 55
- Industry and Mining: ..... 55
- International rankings of Iran ..... 56
- Services: ..... 57
- Energy and Petroleum: ..... 57
- 3. Currency and finances (brief description and summary statistical chart and/or graphs) ..... 58
  - Currency ..... 58
  - Standard currency..... 58
  - Convertibility. .... 58
  - Change in real and nominal exchange rate (in relation to dollar and real) in the past 5 years (IMF. “International Financial Statistics” – par rate / market rate)..... 58
  - Exchange rate regime (fixed, floating, managed) ..... 59
  - Existence of differentiated rates: commercial, financial, tourism, etc. or black market, as applicable. .... 59
  - Balance of payments and international reserves ..... 59
  - Recent trends in balance of payments (past 5 years). OBS:..... 59
  - International reserves: gold, SDRs, IMF reserve position, convertible dividends (summary chart in US dollars: position at a recent date – indicate date – Source: IMF / IFS). OBS: See Explanatory Notes. .... 59
  - Public finances ..... 61
  - Budget: current total revenue and expenditure levels (US dollars). Distribution of expenditures by principal sectors or categories (%). .... 61
  - Monetary and fiscal policy; ..... 61
  - Foreign exchange and payments (relations with International Monetary Fund (IMF), application of foreign exchange controls, if any); ..... 61
  - Banking system ..... 62
  - Structure, operation, and key official institutions of the banking system. Commercial, Brazilian, national, and foreign banks. .... 62
  - Foreign Banks in Iran ..... 64
- II. Overall trade picture ..... 67
  1. General observations ..... 67
    - Before, during and after sanctions..... 67
    - Black market ..... 69
  2. Origin and destination ..... 72
    - Imports ..... 72
    - Exports ..... 73
    - Types of goods ..... 74
  3. Iran-Brazil Economic Ties ..... 75
    - Bilateral Trade..... 75
    - Trade balance ..... 76

- Joint venture ..... 77
- Major economic deals with Brazil ..... 77
- Opportunities: Key products imported by Iran ..... 77
- Iran's top imports..... 77
- Products Iran is willing to import more ..... 78
  
- CHAPTER 4 ..... 80
- I-Tariff Structure and Trade System ..... 80
  - Formula for calculation of customs duties ..... 80
  - The formula for calculating business profits..... 80
  - Formula for calculating the cost of storage..... 80
  - Formula for calculating CIF value Goods..... 80
  - Quality / Metrology standard ..... 82
  - Health and phytossanitary rules; ..... 82
  - Regulations of foreign trade activities ..... 82
  - Registration of imports with the Ministry of Industries, Mines and Trade..... 83
  - Specific regulations ..... 84
  - Exchange rate regime ..... 85
  - Documentation and requirements..... 85
  - Special customs regimes ..... 85
  - Drawback ..... 86
  - Customs transit declaration ..... 86
  - Special customs deposit ..... 86
  - Duty free shops..... 86
  - Re-export..... 86
  
- CHAPTER 5 ..... 88
- I- Sales and Marketing Structure ..... 88
  - 1- Distribution Channels ..... 88
    - A - General Considerations ..... 88
    - B. General Structure..... 89
    - C. Recommended Channels ..... 91
  - 2- Sales Promotion..... 92
    - General Considerations ..... 92
    - Main discounts in distribution network to promote sales ..... 92
    - Main Exhibitions ..... 92
    - Advertising Channels ..... 94
    - Marketing Consulting ..... 95
  - 3- Recommendations to Foreign Companies How to Enter Iran’s Market ..... 95
    - Foreign representative offices and franchises ..... 95
    - Joint Venture (economic interest group)..... 96
    - Transportation insurance ..... 96
    - Inspection of transportation..... 96
    - More recommendation ..... 97

CHAPTER 6 ..... 99

I – Exporting Services and Conditions ..... 99

    1- Legal environment for trading services ..... 99

        • Market access and national treatment ..... 99

        • Law on Contracts ..... 102

        • Money Transfer (investment/profit)..... 103

        • Tax Regime ..... 104

        • Corporate Law ..... 104

        • Foreign Franchising in Iran ..... 105
